Message from CEO

NOMAN Group has now completed **14** year of innovative construction since its origin in 2012 when it was established by the NOMAN FAZAL

What Mr. Noman envisioned has now been realized into a concrete reality as we continue to achieve technical reliability and commercial competitiveness by offering unique construction solutions amongst the competition. This was only made possible through shear hard-work, utmost commitment and professional dedication towards our founding values and objectives. The remarkable success of the group over the past year is undoubtedly attributed to our highly professional team comprising of diversified expertise and rich experience.

Vision

Our vision is to provide the honest construction services nationwide. We strive for integrity and excellence by means of constantly improving our services. By constantly maintaining our dedication to the highest moral principles, we try to develop eco-friendlier solutions for our work and services. Our vision is to enhance the internal culture, promote a culture of professionalism and corporate social responsibility.

Our SERVICES

General Construction

We are responsible for providing all of the material, labor, equipment (such as engineering vehicles and tools) and services necessary for the construction of the project.

Industrial Construction

We are offering industrial construction service. A team of dexterous personnel works in close coordination with our patrons to impart these services as per their needs. Provided services are largely valued amid our patrons for their on-time execution

Steel Structure Buildings

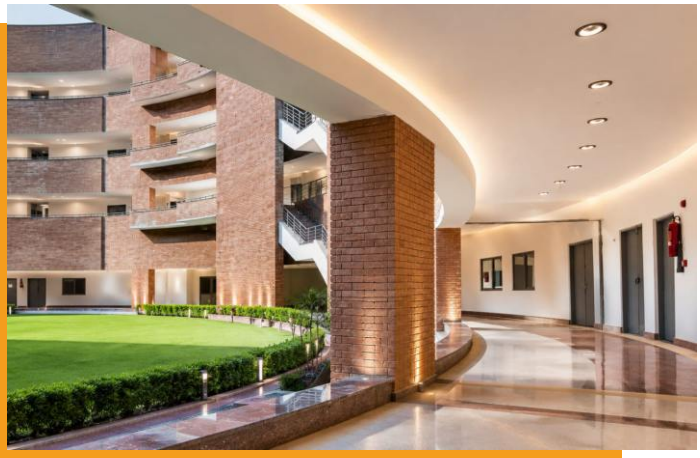

This well-equipped facility with modern software s & machinery is committed to meet international standards and is rapidly becoming instrumental in fulfilling the gap of PEB (pre-engineered steel buildings), process equipment s, steel structures, polyurethane panel and smart cabins in Pakistan.

Interior Finishing

We are offering interior finishing service. A team of dexterous personnel works in close coordination with our patrons to impart these services as per their needs. Provided services are largely valued amid our patrons for their own time execution.

WHY NOMAN CONSTRUCTION?

"We owe our success to our dedication by providing quality projects built on time and within budget. We are proud to perform work for owners with whom we have developed lasting relationships. That's why majority of our work comes from repeat clients. Our overall goal is to provide quality cost efficient projects that leave a positive experience for our clients."

BUILDING TRUST AND CREATING VALUE

"NOMAN's success has been built upon the delivery of exceptional client service. As we have grown, NOMAN has never stopped pursuing and perfecting ways to exceed it's clients' expectations. Whether new construction or renovations, our proactive management style, sophisticated project planning systems and value-added constructability review process enable our teams to manage construction more effectively while ensuring high standards of safety and project quality."

OUR SUCCESS

"Our Success can be attributed to our team of construction experts, our efficient approach to construction and our diverse experience across a variety of clientele. Though years of experience we've formed and maintained excellent relationships with the most skilled local and national subcontractors, designers and suppliers, allowing NOMAN CONSTRUCTION to tap into a network of construction professionals and secure competitive pricing for your project."

VALUE ENGINEERING

"Value Engineering is a conscious and explicit set of disciplined procedures designed to seek out optimum value for both initial and long-term investment. NOMAN CONSTRUCTION, with its rich and diversified expertise in construction services could suggest effective value engineering by proposing reasonable and innovative alternatives that are both cost efficient and functionally better."

TURNKEY PROJECTS

"NOMAN CONSTRUCTION also offer and provide independent design, procurement, construction and project management services. Based on the Project details, we could offer a lump sum fixed price on projects, which ensures that the client knows upfront what the final cost will be."

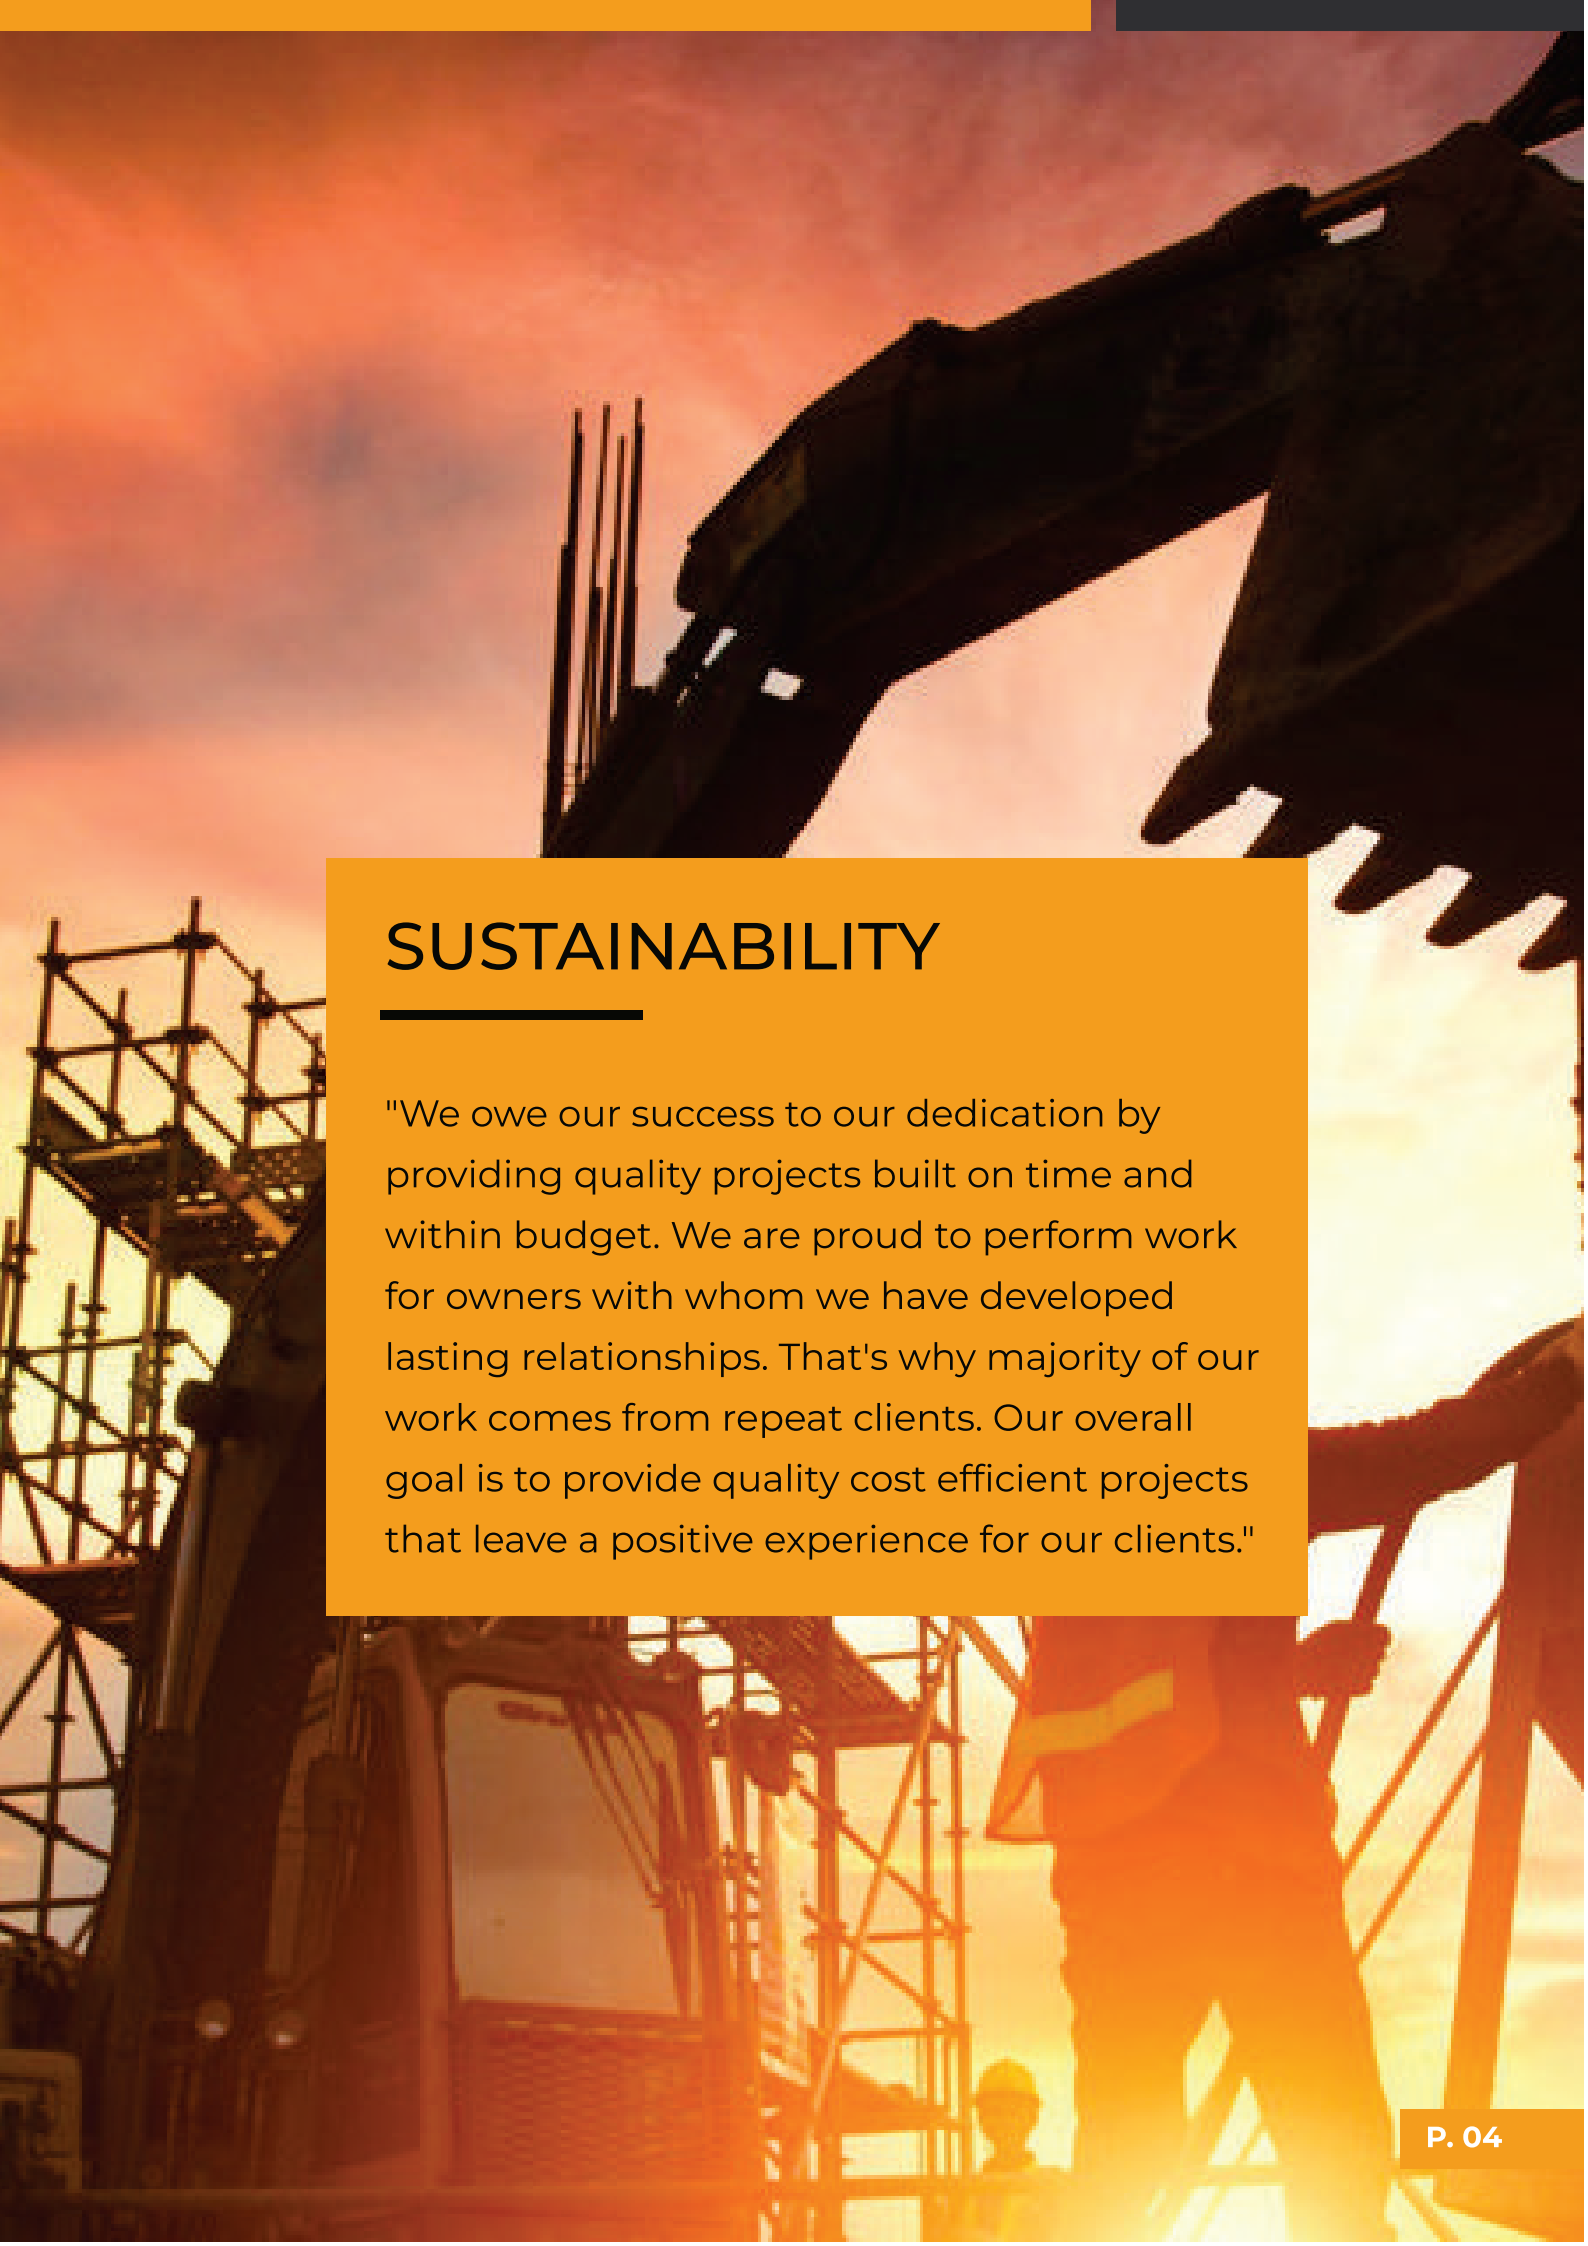

A WINNING COMBINATION

"We are duly registered with Pakistan Engineering Council (PEC) in the highest and listed Should be only registered with Pakistan engineering council. A winning combination of experience and technology makes NOMAN Construction the perfect strategic partner for your next project."

ASSOCIATES

"NOMAN CONSTRUCTION commitment to excellence starts with how we assemble our project delivery teams, which includes prequalifying each subcontractor to determine that they are financially stable, value safety and have the expertise and capacity to perform.

SUSTAINABILITY

"We owe our success to our dedication by providing quality projects built on time and within budget. We are proud to perform work for owners with whom we have developed lasting relationships. That's why majority of our work comes from repeat clients. Our overall goal is to provide quality cost efficient projects that leave a positive experience for our clients."

OUR FOCUS

"Safety, satisfaction and professionalism are our primary objectives and we manage each of these by means of a sophisticated set of management tools. Yet ultimately, it is our people who make the difference. NOMAN CONSTRUCTION has a strong group of senior construction professionals whose core culture is based on delivering the best overall value for its clients."

SAFETY FIRST

"At NOMAN CONSTRUCTION, we are dedicated to the safety of all of our workers, contractors and trades people on our sites. We believe that maintaining a safe, clean working environment are essential factors in being able to achieve High Quality Projects, Accurate Cost Control and Certainty of Delivery. Our goal is to achieve an accident free workplace through proper planning and strong communication."
